Wakulla	Executive Director of Human Resources or Director or Coordinator depending on years of experience and qualifications	Superintendent	Executive Director of Human Resources. We also have a Safety Risk Coordinator that also conducts investigations depending on the nature of the investigation. Sometimes we conduct investigations together. Most investigations involving certified employees and anything that could possibly result in PPS being involved, I conduct.	Safety Risk Coordinator reports to me, but we all communicate often and regularly with our superintendent	http://wakullaschooldistrict.com/
