

# FLORIDA EDUCATIONAL NEGOTIATORS

**Dear Fellow FEN members,**

Last year, the pandemic forced us to cancel the 2020 FEN Spring Conference – our 40<sup>th</sup> annual conference. This year, you have told us to continue exercising caution just a little longer and hold our annual business meeting and the 2021 FEN Spring Conference virtually.

We know that virtual events cannot replicate the *FEN-tastic* in-person conference experience, but we can provide you timely information on important issues and provide a way to interact with your colleagues.

## **Save the Dates:**

- Our **annual business meeting** will be held **Wednesday, May 5, 2021, 4:00 p.m. – 5:00 p.m. EST** via Go-to-Meeting. You will receive log in information in the coming weeks.
- The **FEN Spring Conference** will be held **Wednesday, May 12, 2021, 10:30 a.m. – 4:30 p.m. EST** via Accelevents. (The event will be accessible until June 10, 2021)

This year's spring conference will be a special event and to honor your commitment to FEN during these trying times, the conference is *free of charge for members*. This virtual event will provide an opportunity to listen and participate without having to leave your districts. Join your colleagues for a day on topics you have told us are important to your work.

A core strength of FEN is the shared information, ideas and solutions coordinated through the association. Until we can be back together in-person, we are striving to provide an informative virtual 2021 Spring Conference that is worth your time investment, that is accessible, and even offers you an opportunity to network with your colleagues.
